Primary School Quiz - TikTok

WELLBEING | CYBER SAFETY

This quiz will show how much you know about staying safe online.

Read the questions carefully before answering.

Which of these should you do?

- ◯ lie about your age
- ◯ set your account to private
- ◯ follow fake celebrity accounts
- ◯ post stuff that gives away your personal information

Which two statements are safest?

- ◯ tick the terms and conditions
- ◯ make sure you know everyone following you
- ◯ don't let your parent/carer know you have a social media account
- ◯ never participate in the video messaging section with people you don't know

Why do you think it is a bad idea to follow someone on TikTok that you are gaming with?

Your Advice Needed!

Nate loves TikTok and spends a lot of time scrolling through the feed. He loves that he has over two thousand followers and brags about it all the time at school asking others how many followers they have.

You are worried that Nate might be unsafe. What can you do?
